

# Right Back Where We Started From

[Maxine Nightingale](#)

Ooo and it's alright and it's comin' 'long  
We got to get right back to where we started from  
Love is good, love can be strong  
We got to get right back to where we started from Oh-ohhhhh  
Do you remember that day  
(That sunny day)  
When you first came my way  
I said no one could take your place  
And if you get hurt  
(If you get hurt)  
By the little things I say  
I can put that smile back on your face Ooo and it's alright and it's comin' 'long  
We got to get right back to where we started from  
Love is good, love can be strong  
We got to get right back to where we started from A love like ours  
(A love like ours)  
Can never fade away  
You know it's only just begun  
You give me your love  
(Give me your love)  
I just can't stay away  
I know that you're the only one
