Old Book

I'm treated like an old book
That was left on the shelf
Everyone underlines what they wanted to read
And forget the rest
My spine was left worn out and bent
So just take what you want from me
And forget the rest
It really weirds me out
Because I never thought I'd be where I am today
My bones want to tear out of my skin
This isn't where I want to be
Getting older scares the shit out of me
I'm an old book
