

# 'Till I Met You

Angeline Quinto

## INTRO

OohI never dream

'Cause I always thought that dreaming was for kids  
Just a childish thingAnd I could swear  
Love is just a game that children play  
And no more than a gameCHORUS

Till I met you

I never knew what love was

Till I met you

This feeling seems to grow more everyday  
I love you more each dayI believe you  
I believe in every word that you say  
I love you all the wayNow I could swear  
Love is not a game that children play  
So tell me that you stayCHORUS

Till I met you

I never knew what love was

Till I met you

This feeling seems to grow more everyday  
I love you more each day  
Each dayBRIDGE  
You and I should be together  
Can't you see  
Can't you seeCHORUS

Till I met you

I never knew what love was

Till I met you

This feeling seems to grow more everyday  
I love you more each day  
Each dayTill I met you  
Oh, I never knew what love was  
Till I met you  
This feeling seems to grow more everyday  
I love you more each day  
Each dayTill I met you  
Till I met you
