

# All Back (Produced By Timothy Bloom)

## Chris Brown

If I had the moment  
I'd capture that moment  
You would be right here next to me  
If I had the secret  
The secret to your love  
I would pledge a treasure beneath my heart  
Lock it all up  
And throw away the key  
I would never give it up  
'Cause I was just a fool  
A fool for you  
When I loved you so childishly  
And I want it all back  
I want it all, I want it all, girl, I want it all back  
I want it all back  
I want it all, I want it all, girl, I want it all  
You never miss a good thing till it's gone,  
I want it all, now I want it all back  
If there is a green light  
And it starts to turn yellow  
Pedal to the floor  
'Cause I know your heart is turning red  
If I had the minutes, I would turn 'em into hours  
And make love to your mind and not your body instead  
I was just a fool, a fool for you  
That didn't know what I had until I lost you  
And every single moment that you're not here  
You said the evident to me that everything just seems so clear  
And I want it all back  
(I gotta have it all)  
I want it all, I want it all, girl, I want it all back  
I want it all back  
I want it all, I want it all, girl, I want it all  
You never miss a good thing 'til it's gone  
I want it all, now I want it all back  
Now everything isn't everything  
If everything, everything isn't with you  
And I want it all back  
I want it all, I want it all, girl, I want it all back  
I want it all back  
I want it all, I want it all, girl, I want it all  
You never miss a good thing 'til it's gone  
Want it all, now I want it all back  
Now I want it all back, now I want it all back

Now I want it all back
