Sally Ann

The Wilders

A woman of beauty
A woman of pain
In France or Jakarta
Her shadow's the same
You go home with Sally Ann
You go home with Sally Ann
You go homeA woman of kindness
With bracelets of jade
In China, in Japan
Choices are made
You go home with Sally Ann
You go home with Sally Ann
You go homeA woman of chances
With no family or friends
In Argentina
She knows only men
You go home with Sally Ann
You go home with Sally Ann
You go homeA woman of color
With debts to be paid
In Trenton or Detroit
She lives by the blade
You go home with Sally Ann
You go home with Sally Ann
You go home with Sally Ann
You go home with Sally Ann
You go home with Sally Ann
You go home with Sally Ann
You go home
