

# Blue Skies

**Albert Hammond, Jr.**

There are things I could've told you  
There's a time and a place  
Well, my words would allow me  
To say what I won't change Don't let me know as it's happening, oh  
Don't let me know what you said, oh, oh There were birds all around me  
There were bats pressed to my face  
And in time, you will forget me  
And I'll try and do the same Don't let me know as it's happening, oh  
Don't let me know what you said, oh, oh, oh, oh It's been years since I saw you  
But each day, I see your face  
And in time, you will remind me  
That I wish we were the same Don't let me know as it's happening, oh  
Don't let me know what you said, oh, oh, oh, oh
