I Feel Loved (Chamber's Remix)

Depeche Mode

When Im with you baby, I go out of my head
And I just cant get enough, I just cant get enough
All the things you do to me and everything you said
And I just cant get enough, I just cant get enough

We slip and slide as we fall in love
And I just cant seem to get enough

We walk together, were walking down the street
And I just cant get enough, I just cant get enough
Every time I think of you I know we have to meet
And I just cant get enough, I just cant get enough

Its getting hotter, its our burning love
And I just cant seem to get enough

And when it rains, youre shining down for me
And I just cant get enough, I just cant get enough
Just like a rainbow you know you set me free
And I just cant get enough, I just cant get enough

Youre like an angel and you give me your love
And I just cant seem to get enough
