## I Feel Loved (Chamber's Remix)

## **Depeche Mode**

When Im with you baby, I go out of my head And I just cant get enough, I just cant get enough All the things you do to me and everything you said And I just cant get enough, I just cant get enough

> We slip and slide as we fall in love And I just cant seem to get enough

We walk together, were walking down the street And I just cant get enough, I just cant get enough Every time I think of you I know we have to meet And I just cant get enough, I just cant get enough

> Its getting hotter, its our burning love And I just cant seem to get enough

And when it rains, youre shining down for me And I just cant get enough, I just cant get enough Just like a rainbow you know you set me free And I just cant get enough, I just cant get enough

Youre like an angel and you give me your love And I just cant seem to get enough
