Lost (D-Trax & Dimitri Valeff Remix)

Roger Sanchez

Remember how it used to be
Remember you were still in love with meBut you turned the way
And I start to cry
I'm lost without your love
And I won't surviveDon't leave me
Alone tonight
I'm lost without your love
And I won't surviveDon't leave me
Cause I won't survive
I'm lost without your love
And I won't surviveI can't believe that we are thru
Is it someone else
Have you found somebody newCause at the inside
Every-time I close my eyes
And imagine myself living without youBut you turned the way
And I start to cry
I'm lost without your love
And I won't surviveDon't leave me
Alone tonight
I'm lost without your love
And I won't surviveDon't leave me
Cause I won't survive
I'm lost without your love
And I won't surviveetc...
