# Seven Lonely Days

## Jean Shepard

Seven lonely days make one lonely week
Seven lonely nights make one lonely me
Ever since the time you told me we were through
Seven lonely days I've cried and cried for youOh my darling, I'm crying, hoo hoo hoo hoo
There's no use in denying, I've cried for you
What's your favorite past time? Just a making me blue
Last week was the last time I've cried for youSeven hankies blue I filled with my tears
Seven letters too I filled with my fears
Guess it never pays to make your lover blue
Seven lonely days I've cried and cried for youOh my darling, I'm crying, hoo hoo hoo hoo
(Seven lonely days)
There's no use in denying, I've cried for youWhat's your favorite past time? Just a making me blue
(Seven lonely nights)
Last week was the last time I've cried for you
(Seven lonely days)Seven lonely days make one lonely week
Seven lonely nights make one lonely me
Ever since the time you told me we were through
Seven lonely days I've cried and cried for youSeven lonely days make one lonely week
Seven lonely nights make one lonely me
Ever since the time you told me we were through
Seven lonely days I've cried and cried for you
Seven lonely days I've cried and cried for you
