We Found Love

Calvin Harris

Yellow diamonds in the light
And we're standing side by side
As your shadow crosses mine
What it takes to come aliveIt's the way I'm feeling I just can't deny
But I've gotta let it goWe found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless placeShine a light through an open door
Love and life I will divide
Turn away 'cause I need you more
Feel the heartbeat in my mindIt's the way I'm feeling I just can't deny
But I've gotta let it goWe found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless placeYellow diamonds in the light
And we're standing side by side
As your shadow crosses mineWe found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless placeWe found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
