

Chap Stick, Chapped Lips, and Things Like Chemistr

Relient K

Okay so, who doesn't own a cell phone?
Who brought back their permission slip
Because I know nobody wants to stay home
While the rest of us go out and make a day of it 'Cause theme parks are so much more fun when the sun's outside
(When the sun's outside, na na na na na)
And I lost my phone to the lake beneath the Batman ride
(To the Batman ride, na na na na) They're starting something and I don't want to begin it
(I don't want to begin it)
They're looking for trouble but with me, it won't be found
(With me, it won't be found) And I regret that I'm completely out of daytime minutes
(I don't want to begin it)
And so I guess I'll have to wait a lot til 8 o'clock comes around Okay so, who doesn't own a cell phone
Well, I don't need to ask my friends
Because I know mine was fastened to my jawbone
Thanks to all those nights and weekends 'Cause theme parks are so much more fun when the sun's outside
(When the sun's outside, na na na na na)
And I lost my phone to the lake beneath the Batman ride
(To the Batman ride, na na na na) Yeah, they're starting something and I don't want to begin it
(I don't want to begin it)
They're looking for trouble but with me, it won't be found
(With me, it won't be found) And I regret that I'm completely out of daytime minutes
(I don't want to begin it)
And so I guess I'll have to wait a lot til 8 o'clock comes around When it comes to relationships
(I'm the dumbest one)
And I don't mean just with girls
(I mean with everyone)
Your illustrations always point out just what's wrong with me
It's chap stick and chapped lips, and things like chemistry It's chap stick and chapped lips, and things like
It's chap stick and chapped lips, and things like
It's chap stick and chapped lips, and things like chemistry Can I relate to you the way you relate to me?
Can you help me out with my chemistry?
I don't want to be perceived the way I am
I just want to be perceived the way I am
