

Orange

Psychostick

You're an ORANGE!

You're an ORANGE!

You're an ORANGE!

You're round and juicy and sweet

You're an ORANGE! (You're an ORANGE!)

You're an ORANGE! (You're an ORANGE!)

You're an ORANGE! (You're an ORANGE!)

You're full of vitamin C

Here in my hands it's a lovely orange

And it's round and I think it has a really yummy taste

And the skin has pores

And it's juicy sweet, and it peels,

And I gotta say I think it's kinda neat

sweet oranges

You're filled with generous amounts of supplements

like natural folate, thiamine and magnesium

that's better than the content that is found within

Your standard apple, passionfruit, honeydew, or plum

have you had Your v8 today?

(no way)

have you had Your v8 today?

(no way)

have you had Your v8 today?

(no way)

well have you had Your V8 TODAY!?

YOU'RE JUST DRINKING A PIZZA!

YOU'RE JUST DRINKING A PIZZA!

YOU'RE JUST DRINKING A PIZZA!

Tomatoes really are a fruit.

You're an ORANGE!

You're an ORANGE!

You're an ORANGE!

You're round and juicy and sweet.

You're an ORANGE! (You're an ORANGE!)

You're an ORANGE! (You're an ORANGE!)

You're an ORANGE! (You're an ORANGE!)

You're full of vitamin C.

Here in my hands it's a lovely orange

And it's orange and I think it makes a really handy snack

And it comes with seeds, or it comes without
Take a bite, hit a seed, and you'll wanna spit it out
sweet oranges
you are in Genus citrus and you come from trees
That have white flowers and sometimes reach fifty feet in height
Your pulp has tightly packed with various juice cells packed
into a wedge that tastes real good when I take a bite
have you had Your v8 today?
(no way)
have you had Your v8 today?
(no way)
have you had Your v8 today?
(no way)
well have you had Your V8 TODAY!?
You're JUST DRINKING A PIZZA!
You're JUST DRINKING A PIZZA!
You're JUST DRINKING A PIZZA!
Tomatoes really are fruit
Juice
ORANGE, ORANGE
You're an ORANGE, ORANGE, ORANGE!
You're an ORANGE, ORANGE, ORANGE!
You're an ORANGE, ORANGE, ORANGE!
You're AN ORANGE, ORANGE, ORANGE!
You're AN ORANGE, ORANGE, ORANGE!
You're AN ORANGE, ORANGE, ORANGE!
You're AN ORANGE, ORANGE, ORANGE!
You're AN ORANGE!
You're AN ORANGE!
You're AN ORANGE!
You're AN ORANGE!
You're AN ORANGE!
You're AN ORANGE!
You're AN ORANGE!
You're AN ORANGE!
You're AN ORANGE!
You're AN ORANGE!
