

Rising Sun

Paul Rodgers

"Rising Sun"

In the land of the rising sun
The story and the glory of our life
Began

In the city of the east
The yearning and the burning of our love
was believed.

With a love this strong
No mountain is too high to climb
With a love this strong
No mountain is too high to climb

With a love this strong
No mountain is too high to climb
With a love this strong
No mountain is too high to climb

No mountain
No mountain is too high to climb
