

The Lifestyle

Metric

(Never the lifestyle baby, for you and me)
(Never the lifestyle baby, for you and me)
(Never the lifestyle baby, for you and me)
(Never the lifestyle baby, for you and me) I wish you were a song to play
I wish you had something to say
I wish you were a song to play
I wish you had something to say (Never the lifestyle baby, for you and me)
(Never the lifestyle baby, for you and me)
(Never the lifestyle baby, for you and me)
(Never the lifestyle baby)
