'Bout to get 'em butt naked like a porn star
You know I put 'em back together like a mixtape
Have 'em jumpin' off the shelf like a sextape
If it jumpin' back right, then the sex great
Two cuties, got 'em looking like a pancake
Half a million dollar play with a handshake
Get the pressin' off the check 'til your hand ache OKAll good, need a ace band
And buy 4s all day he the eight man
You really gettin' that cake, then you the cake man
You really whippin' them pies, you the bake manThey say great minds think alike. Know what I'm thinkin' nigga?
A great grind will change your life
That's what I'm thinkin' nigga

When the work drop, same color rubber band
For my ghetto superstar, that really got fans
Let it sit up on the counter, catch a damn tan OK
