Wonderland

Angie Aparo

Take a piece of the sky
Make it rain cherry wine
Give her love, give her life
Give her mineShe's a child, young and willing
In a world that's unforgiving
That in time
Take all the living from your soul, no no noI stand in the night with a silver sword
Killing her demons beating them off her door
Oh noSleep little baby don't you cry
'Cause daddy's got a worn out lullaby
And I'd live forever dark and damned
If I could see you spend one minute girl, in wonderlandShe can run, free forever
Still our blood runs us together
And I'll be there if she runs home
For worse or better, babe noI know you like Adam knew Eve
Every tear you cry is a tear that I will bleed
Oh, and I will bleedSleep little baby, don't you cry
Daddy's got a worn out lullaby
And I'd live forever dark and damned
If I could see you spend one minute girl, in wonderlandAnd I'd live forever dark and damned
If I could see you spend one minute, in wonderlandAnd I say, ooh ooh
Ooh ooh ooh ooh
