Bury Me With Her (Julia)

Perry Blake

Never underestimate a girl - you are
Never underestimate a girl
You shine a little light upon the day that sees you through
Shine a little light upon the day
You went to catch a falling star
Too far to catch a falling starNever underestimate a child - my love
Never underestimate a child
Shine a little light upon the day that sees you through
Shine a little light upon that day
You went to catch a falling star
Too far to catch a falling starTell us what you know
Tell us where you've been
Tell us what you've seen
'Cause I just want to touch her skin
Tell us what you know
About the bloodstains in the snow
Tell us what you've seen
'Cause I just want to touch her skinShine a little light upon the day that sees you through
Shine a little light upon the day
You want to catch a falling star
How far to catch a falling star?
