

Get Together (Dino Valente)

[Nick Drake](#)

Love is but the song we sing
Fear the way we die
It can make the mountains ring
Make the angels cry
So the bird is on the wind
You may not know why Hey people now, smile on your brother
Let me see you get together
And love one another Some may come and some may go
We will surely pass
Will the one who left us here
Return for us at last?
We are but a moment's sunlight
Fading in the grass Hey people now, smile on your brother
Let me see you get together
And love one another
