

Stop Messin' Around

Aerosmith

Baby, please stop messin' 'round
You're messin' 'round all the time
Baby, please stop messin' 'round
You're messin' 'round all the time
You don't stop messin' 'round
You'll be somebody's baby instead of mine, oh
You're rockin' the baby to my face
It's cherry red
You rock me so hard, babe
I fallin' right out of bed
I said, stop messin' 'round
You're messin' 'round all the time, wooh
You don't stop messin' 'round
You'll be somebody's baby instead of mine, oh
You're rockin' the baby to my face
It's cherry red
You rock me it so hard, babe
I fallin' right out of bed
I said, stop messin' 'round
You're messin' 'round all the time
You don't stop messin' 'round
You'll be somebody's baby instead of mine
