

# Love Me Dead

Ludo

Advisory - the following lyrics contain explicit language:

Love me cancerously  
Like a salt-sore soaked in the sea  
'High-maintenance' means  
You're a gluttonous queen  
Narcissistic and mean Kill me romantically  
Fill my soul with vomit  
Then ask me for a piece of gum  
Bitter and dumb, you're my sugarplum  
You're awful, I love you She moves through moonbeams slowly  
She knows just how to hold me  
And when her edges soften  
Her body is my coffin I know she drains me slowly  
She wears me down to bones in bed  
Must be the sign on my head  
That says, oh, love me dead, love me dead You're a faith-healer on TV  
You're an office park without any trees  
Corporate and cold, gushing with gold  
Leave me alone You suck so passionately  
You're a parasitic, psycho, filthy creature  
Finger-bangin' my heart, you call me a drunk  
Does the fun ever start? You're hideous and sexy She moves through moonbeams slowly  
She knows just how to hold me  
And when her edges soften  
Her body is my coffin I know she drains me slowly  
She wears me down to bones in bed  
Must be the sign on my head  
That says, oh, love me dead, love me dead Love me cancerously  
How's your new boy?  
Does he know about me?  
You've got the mark of the beast  
You're born of a jackal, you're beautiful She moves through moonbeams slowly  
She knows just how to hold me

And when her edges soften  
Her body is my coffin I know she drains me slowly  
She wears me down to bones in bed  
Wha' 'bout the sign on my head  
That says, oh, love me dead, love me dead  
Love me dead, love me dead  
Oh, love me dead
