

Stress Reliever

Jodeci

"J" to the "O" to the "D" to the "E" to the "C" "I" JODECI (2x) You are the only girl I see (2x)

When I'm with you I feel much peace (2x)

Distractions confusion niggas and beef (2x)

When I'm with you there's much relief (2x)

You got stuff that makes me go chill

All my friends is acting so ill

You got stuff that makes me so calm

Girl your stuff is really the bomb

I got the power to make you cold sweat

I'm so gangsta with my shit

All your girlfriends on my knot

When I think of you I stop [Chorus]

You are my stress reliever

My sex receiver

I'll be your pleaser

(4x) You are my everything

You are my sunshine

You get engagement rings you'll be my valentine

When I am stuck girl you are my alibi

You choose priceless things

Buy you expensive wine

You got stuff that makes me go chill

All my friends is acting so ill

You got stuff that makes me so calm

Girl your stuff is really the bomb

I got the power to make you cold sweat

I'm so gangsta with my shit

All your girlfriends on my knot

When I think of you I stop [Chorus] My arms are open wide, you are my stress reliever

You are my stress reliever, I'll be your pleaser

You are my stress reliever you are my sex reliever (2x)

Girl you're one of a kind (2x)

Real deal big thrills girl you're one of a kind [Chorus]
