## Heart Shaped Hate

Sweet sixteen  
Super snob supreme  
I am the teen dream  
I killed the teen dream  
Sweet sixteen  
I'm gonna make you cream  
Your pants with jealousy  
I'm the bitch of bourgeoisie You can't come to my birthday party  
You can't come because yr ugly  
You can't c-c-come Daddy's rich and mommy's indifferent  
I'm gonna make the most of it  
It's my fucking party  
It's my fucking party  
It's my fucking party  
And I'll cry if i want to  
Fat girls who think they're thin  
Silly girl, you don't even have tits yet  
O-M-F-G  
L-O-L-Z  
O-M-F-G  
L-O-L-Z  
Where are the chaperones?  
There're teeny bopper brats on the dance floor trying to bone  
It's my fucking party  
It's my fucking party  
It's my fucking party  
And i'll cry if i want to I'm the princess  
Got my tiara on  
I'll always get  
I always get  
Whatever i want  
I'm the princess  
Got my tiara on  
I'll always get  
I always get  
Whatever i want Fancy cars, diamond rings  
Bling bling motherfucker  
Bow down to me This is totally exclusive  
This is totally stupid
