Singing Gloria
Living Gloria
And the light so shines that everyone will seeGlory to God
I want to make what I've been feeling so
I've been living with
Specific boundary lines and given warning signs
It comes down to meSinging Gloria
Living Gloria
And the light so shines that everyone will seeI'm bringing Gloria
Giving Gloria
To the father may the greater glory beAnd once again, I start the day
Part of the mystery, of overcoming sin
While feeling less than meek and gentle
Knowing what's new testamental
Then they'll see meSinging Gloria
Living Gloria
And the light so shines that everyone will seeI'm bringing Gloria
Giving Gloria
To the father may the greater glory beKnowing this that my redeemer finds me free
The best that I can do is live what I believe
Use my gifts and all my opportunities
To let my words and deeds agreeSinging Gloria
Living Gloria
And the light so shines that everyone will seeI'm bringing Gloria
Giving Gloria
To the father, I'll live
To the father, I'll bring
