

# The Black Goddess Rises Ii

## Cradle Of Filth

Thee I invoke, born less one  
All woman, pure predator  
Where in conspiracy and impulse dwell  
Like a seething fall from grace  
Thee I worship  
Thou art darkest Gabrielle  
No church shall bar our path  
Seductive Evil drink your fill  
Of the bleeding Christ in your arms  
You are in my dreams  
The darkness in my eyes  
The rapture in my screams  
Black Goddess arise  
Nothing will keep us apart  
We could kill them all  
If our desire tore free  
Our union is one, sweet, sinful Eve  
And the night draws in beside her  
As we embrace the dark side by side  
I pour my soul to those eyes full of fire  
To harvest the seed ploughed inside her  
Archangel, snare the flesh  
Suck dry the ebbing wound  
Leave them lifeless and broken  
My beloved  
Oh, how I craved for you  
You so pure and other-worldly  
With your scent of winter  
Am I to bleed myself dry to see your delight?  
And the fear retreats forever  
(Come to me Black Goddess arise)  
When my secrets are buried in thine  
(Come to me Black Goddess arise)  
Under seven stars we came together  
(Come to me Black Goddess arise)  
To plot the new age's decline  
(Come to me, arise)  
Ishtar my Queen come forth to me  
And help me seize my future from the House of Death

That in the release of immortality  
I should slay their fucking Nazarene  
Ah the lies the Jew, I kill for you  
Hidden lusts will break the gates and swarm  
As love secretes the thrill for war  
The virgin raped shall seek to whore  
She-wolf bare your snarling jaw
