

# Against the Law

## Sallie Ford & The Sound Outside

I wanna eat you up, like a piece of cake  
Even if it was the worst mistake  
Baby baby wonâ€™t you be with me  
Baby baby wonâ€™t you be with me

Wanna suck you up, in a straw  
Even if it was against the law  
Baby baby wonâ€™t you be with me  
Baby baby wonâ€™t you be with me

No I donâ€™t know, what they saw, but it wasnâ€™t against the law  
No I donâ€™t know, what they saw, but it wasnâ€™t against the law  
No I donâ€™t know, what they saw, but it wasnâ€™t against the law  
No it wasnâ€™t against the law aw aw

Wanna take off all your clothes  
Wanna get rid of all my woes  
Baby baby wonâ€™t you be with me  
Baby baby wonâ€™t you be with me

I wanna teach you, about that line  
I wanna teach you, wanna teach you right  
Baby baby wonâ€™t you be with me  
Baby baby wonâ€™t you be with me

Well I donâ€™t know what they saw but it wasnâ€™t against the law  
Donâ€™t know what they saw but it wasnâ€™t against the law  
No I donâ€™t know what they saw but it wasnâ€™t against the law  
No it wasnâ€™t against the law aw aw

Baby baby wonâ€™t you be with me  
Baby baby wonâ€™t you be with me  
Baby baby wonâ€™t you be with me  
Baby baby wonâ€™t you be with me
