Back to Life

Tilian

Said you had your reasons you needed a breath just to clear your lungs
And I watched the seasons change
How you've have changed
Couldn't fight those demons
How they crept inside and filled you up
Gave you all those reasons to run away
And I'm bursting at the seamsSo I let it all out that night
Couldn't hold it in any longer
I'll admit I was trying to pick a fight
See, the flame is sparkling
And now we've got one chance to make it
We've got one chance to make this right
So put your broken heart in my hands
I'll bring you back to life
Bring you back to life
Come tomorrow, when you've made your mind
Up and swallowed your pride
We can follow plans we've been making for the longest time
And I'm bursting at the seamsSo I let it all out that night
Couldn't hold it in any longer
I'll admit I was trying to pick a fight
See, the flame is sparkling
And now we've got one chance to make it
We've got one chance to make this right
So put your broken heart in my hands
I'll bring you back to life(Bring you back, bring you back)
(To life)
(Bring you back to life)
Cause we're falling out of reach
(We're falling out of reach)
And I'm bursting at the seams
(Bursting at the seams)
Can't bring you back to me
(Can't bring you back)
Back to me
(Can't bring you back)Couldn't stop those demons, how they crept inside and filled you up
Gave you all those reasons to run away
