Hangover, hangover, hangover, hangover-over-over (Bend over)  
Hangover, hangover, hangover, hangover-over-over (Bend over)  
Party's over, it ain't over  
Try to make a bad memory over and over  
Hangover, hangover, hangover, hangover-over-over (Bend over)  
Hangover, hangover, hangover, hangover-over-over (Bend over)  
Party's over, it ain't over  
Can not find a single piece of me, game overHangover  
HangoverHangover, hangover, hangover, hangover-over-over  
Hangover, hangover, hangover, hangover-over-over (Bend over)  
Hangover, hangover, hangover, hangover-over-over  
Can not find a single piece of me, game overDrink 'till you're drunk  
Smoke like a broke stove  
Don't quit, take flight  
I can't remember last night  
It's aight, this the life of a superstar  
Sci-fi with that boy trooping hard, coupling cars  
Snoop be hard in the paint  
Drink another cup until I fall flat  
All lead and then some  
1-5-1, done dilly  
Really for sure that  
I'm throw back intoxicated  
Change over, game over, hangover, fadedBody, shit, miss
