

# Shock

## Remate

Shock, shock  
Shock, shockWelcome to my world  
Headfirst to the earth  
With my sights on the goddamned kill switch  
I've become a fuse charged with attitude  
Fixed and dialated by my angerI have become a  
Direct  
I have become a  
Current  
I have become a  
Direct  
I have become  
InsurgentI will be a power surge  
Shock to the system  
Electrified, amplified  
Shock to the system  
Shock, shockAlternate my wires  
Heat my core desire  
I will not stand for condemnation  
I've become the volts to lead the revolt  
Fuck with me ensues certain dangerI have become a  
Direct  
I have become a  
Current  
I have become a  
Direct  
I have become  
InsurgentI will be a power surge  
Shock to the system  
Electrified, amplified  
Shock to the systemI will be a power surge  
Shock to the system  
Electrified, amplified  
Shock to the systemI am the power surge  
I am the insurgent  
Electrified, amplified  
Electrified, amplified  
Shock, shock  
Shock, shock

Shock to the system
