

The Devil

Hoyt Axton

As soon as I'm left alone
The Devil wanders into my soul
 And I pretend to myself
 And I pretend to myself
I go out to the old milestone
Insanely expecting you to come there knowing
 That I wait for you there
 That I wait for you there
 Come, come
 Come here at once
 Come, come
On a night with no moon
 Because all of my being
 Is now in pining
 All of my being
 Is now in pining
What finally cheered me
 Now seems
 Insignificant
 Insignificant
