

Thank You For Being God

Travis Greene

You're too big for error.
You're too wise for mistakes.
You are a mighty God
Perfect in all your ways.
You were here before my first breath,
And you'll be here when nothing else is left.
You are a mighty God
Forever and always

You're too big for error.
You're too wise for mistakes.
You are a mighty God
Perfect in all your ways.
You were here before my first breath,
And you'll be here when nothing else is left.
You are a mighty God
Forever and always

Oh Oh Oh

You loved me in spite of my flaws
You hold me close in the midst of it all
A present help when I am in need
I'm grateful that You won't give up on me.

You love me when no one else would
You kept me when no one else could
Thank you for being God
Thank you for being God
Thank you for being God
Thank you for being God

You're too big for error.
You're too wise for mistakes.
You are a mighty God
Perfect in all your ways.
You were here before my first breath,
And you'll be here when nothing else is left.
You are a mighty God
