What about the boy? She lay as though she were in a trance  
With her long eyelashes fluttering like she was dreaming  
She said to him, "I lie beyond the sea" and then

All of a sudden her head dipped back and she vanishedGone, gone without a trace, goneShe's never coming  
back, do you know what it's like to live with that?  
No one knows what it's like, the only one who knew me, gone  
I know what you want and I can give it to you  
I'm so tired and hungry, I'm so tired, have you ever seen God?
