The Obsessed

Love you child like there's no tomorrow
Lust so deep this wolf must follow
In the full moon light I see
A pagan prayer with crystal wings
Grab you mama by your fragile wings
I'll put you in my pocket full of dangerous things
To my castle on the mountain's peak
Clouds they swirl, winds they shriek
Side by side we're gonna ride the wind
Because in death this life begins
Little Fox, the time is now
We're gonna live forever anyhow
Through dimension's mists we fly
Chrome fang diamond eye
In the full moon's light we prowl
Our devotions love we howl
Darkness dawns the time is now
We're gonna live forever
