## Ashanti

Right back at ya, it's the world's most talented record label  
Murder INC  
and that angelic voice you hear in the background  
That's our new princess of hip-hop and r&b  
Miss AshantiBoy you fill me with so much joy  
You give whatever it is I need  
My love is here to stay won't ever leave  
So glad that you fell in love with me  
My love is so good  
That I wouldn't be without you babe  
Couldn't see me without you babyMy love is so good  
That I wouldn't be without you babe  
Couldn't see me without you babeAll my life, I've been searching for ya  
Everyday, so glad that I found you boy  
All my life, I've been feeling for you  
Everyday, I'm so happy, babyBoy, you got me feeling so good  
You take all my pain away from me  
Without you around I couldn't be  
And I'm glad you fell in love with meMy love is so good  
That I wouldn't be without you babe  
Couldn't see me without you babeMy love is so good
