

I Want An Alien For Christmas

Fountains of Wayne

This year for Christmas
There's somethin' I'd really like
So if you're up there somewhere, Santa
Please don't bring me another bike I don't need any ugly sweaters
And I don't play much basketball
But there's somethin' kinda special
That I want most of all I want an alien for Christmas, bring me an alien this year
I want a little green guy about three feet high
With seventeen eyes, who knows how to fly
I want an alien for Christmas this year He can live in the bath tub
So, don't worry about a thing
And I'll take him out for walks
When it gets nicer in the spring I'll always keep him company
He'll never be alone
And we can hang around the house all day
And watch The Twilight Zone I want an alien for Christmas, bring me an alien this year
I want a little green guy about three feet high
With seventeen eyes, who knows how to fly
I want an alien for Christmas this year I want an alien for Christmas, bring me an alien this year
I want a little green guy about three feet high
With seventeen eyes, who knows how to fly
I want an alien for Christmas this year
I want an alien for Christmas this year
