You're Not Easy to Forget

Michael Johnson

Everyone's saying it's for the best
And I shouldn't be feeling so depressed
Everyone's telling me I'll be fine
And all that it takes is timeThey say I should get my heart in hand
But nobody seems to understandThat you're not easy to forget, seems no matter what I do
I just can't seem to remember I'm not in love with you
You're not easy to forget, I've been trying everyday
But your memory keeps getting in my wayEver since you've been gone I find
Not a day goes by you don't cross my mind
Then when I close my eyes it seems
There you are running through my dreamsWhen somebody tries to take your place
I just look at her and see your face'Cause you're not easy to forget, seems no matter what I do
I just can't seem to remember I'm not in love with you
You're not easy to forget, I've been trying everyday
But your memory keeps getting in my wayThere's no getting into getting over you
After all we've been through
I just can't get the knack
Of not wanting you back'Cause you're not easy to forget, seems no matter what I do
I just can't seem to remember I'm not in love with you
You're not easy to forget, I've been trying everyday
But your memory keeps getting in my wayYou're not easy to forget, seems no matter what I do
I just can't seem to remember I'm not in love with you
You're not easy to forget, I've been trying everyday
But your memory keeps getting in my wayYou're not easy to forget, seems no matter what I do
I just can't seem to remember I'm not in love with you
