

# Tonight

## Seether

I'm not gonna waste this  
This opportunity's mine  
I'm sick of complaining  
About a beautiful life How did we get here?  
Did we forget all the things inside?  
And how do we stay here?  
Do we embrace all the things tonight? I feel so alive tonight  
You got me feeling sublime  
I wanna yell it from the rooftop down  
Until it's over and we're older For my entertainment  
You tell a whimsical lie  
To keep me complacent  
You knock me down with a smile How did we get here?  
How do we pretend everything's alright?  
And how do we stay here?  
Do we erase all the fear tonight? I feel so alive tonight  
You got me feeling sublime  
I wanna yell it from the rooftop down  
Until it's over and we're older Like sugar and cyanide  
These walls are gonna collide  
I wanna yell it from the rooftop down  
Until it's over and we're older  
Yeah So take me  
But go slow  
And let me hide somewhere I know  
And let this  
Seed grow  
Until we finally call this home So take me  
But go slow  
And let me hide somewhere I know  
And let this  
Seed grow  
Until we finally call this home If I were to die tonight  
Would it tear you apart  
Would you yell it from the rooftops down  
Until it's over  
And you're older I feel so alive tonight  
You got me feeling sublime  
I wanna yell it from the rooftop down

Until it's over and we're olderLike sugar and cyanide  
I'm never meant to collide  
I wanna yell it from the rooftops down  
until it's over and we're older  
Yeah
