Pearl Jam

[Inaudible]He won the lottery, when he was born
Took his mother's white breast to his tongue
Trained like dogs, color and smell
Walks by me to get to himPolice man, police man[Inaudible]He won the lottery, by being born
Big hand slapped a white male American
Do no wrong, so clean cut
Dirty his hands, it comes right offPolice man, police manPolice stopped my brother again
Police stopped my brother again
Police stopped my brother againPolice man, police manJesus greets me, looks just like meDo no wrong, so
clean cut
Dirty his hands, it comes right offPolice man, police man, police manPolice stopped my brother again
Police stopped my brother again
Police stopped my brother againPolice man, police manPolice stopped my brother again
Police stopped my brother again
Police stopped my brother againPolice man, police man, police manAll my pieces set me free
All my pieces set me free
All my pieces set me free
All my pieces set me freeHuman devices set me free
Human devices set me free
All my pieces set me free
All my pieces set me freeHuman devices set me free
Human devices set me free
