Living in a Nightmare

The Knutz

Evil demons are following me, I don't have a place to hide
My car crashed into the wall cause you left me upside down
Nor everything that shines is gold
How could you be so cold?Nor everything that shines is gold
Tell me about your feelings and I'll tell you mine
Nor everything that shines is gold
You are a liar, such a liarLiving in this nightmare, I'm haunted by you
You are wasting my time, you are draining my life
Even down on the ground
I keep running, running, I'm running around
