Last Boy

QUARTERBACKS

these chords
have probably been used
a thousand times bfore
to write songs about girls
i don't think they've been used
to sing about you
but honestly i can't be sure
you probably know
lots of boys who play guitar
you're the kind of girl
who attracts
boys who write songs
writing one about you
really wasn't hard
i've always like girls
who have
broken a few heartsbut i want to be
the last boyto love youwant to bethe last boy
that you love too
all those boys before
all those girls before
all those
stops and starts and ends
we can just ignore
the past never adds
up to much
where you've been
isn't half as important
as where you end up
