

Love

Musiq Soulchild & Musiq

Love

So many things I've got to tell you
But I'm afraid I don't know how
'Cause there's a possibility
That you'll look at me differently Love
Ever since the first moment I spoke your name
From then on I knew that by you being in my life
Things were destined to change 'cause...

Love

So many people use your name in vain

Love

Those who have faith in you sometimes go astray

Love

Through all the ups and downs, the joys, and hurts
Love For better or worse I still will choose you first Many days I've longed for you
Wanting you Hoping for the chance to get to know you
Longing for your kiss
For your kiss, for your touch, for your feel, for your essence (your beautiful essence)
Many nights I've cried from the things you do Felt like I could die from the thought of losing you

I know that you're real

With no doubts and no fears, and no questions

At first you didn't mean that much to me, no

But now I know you're all I need, oh

The world looks so brand new to me

Now that I found love

Everyday I live for you, yeah

And everything that I do I do it for you

What I say is how I feel so believe it's true

You got to know I'm true, love
