Almost Wasted (Re:Smoothed)

Rotersand

All the time I called my own
And all the times that wouldn't come
All the times I went for waiting
All the time that passed me byAll the times the world was mine
And all the times I played for time
All the time that rushed with fever
All the times I didn't tryThose lessons learned, almost wasted
Those assets earned, almost wastedAnd all my time is almost wasted
All my memories and all my time
