

# Thought of Bride

## Blowsight

With a coma coming over you  
Don't you realize you do it wrong?  
With a teacher preaching over you  
Don't you think it's time to move along?  
I don't wanna be a bad choice  
I don't wanna decide  
Sleeping/Walking/Telling me to find another side  
Hello - everybody is in the game  
Mellow - keeps you up and it bares your name  
Hello - everybody is in the game  
And you fight it again, you fight in the rain  
So now you refuse to talk to me - look me in the eyes  
And do it again  
I was never there to pick you up, I'd rather be the one to tell you when  
I don't wanna let go of you - strings attach us  
Sleeping/Walking/Telling me to find another side  
Hello - everybody is in the game  
Mellow - keeps you up and it bares your name  
Hello - everybody is in the game  
And you fight it again, you fight in the rainRain x4  
It's getting so much harder to kill the living thought of bride  
Sleeping/Walking/Telling me to find another side  
The echo of your friends reaction follow as you die  
Hello - everybody is in the game  
Mellow - keeps you up and it bares your name  
Hello - everybody is in the game  
And you fight it again, you fight in the rain  
Hello - everybody is in the game  
Mellow - keeps you up and it bares your name  
Hello - everybody is in the game  
And you fight it again.  
You fight it again,  
you fight in the rain  
I don't wanna be a bad choice  
(Still dead)  
I don't wanna decide  
I don't wanna be a bad choice  
(Still dead)  
I don't wanna decide
