

# Go Hard or Go Home

## Wiz Khalifa & Iggy Azalea

I feel like the sky is falling down  
Ain't nobody here to play around  
Push it to the edge, I won't back down  
Cause it's time to go hard or go home  
One way up, no way out  
I give it all, all for the family  
We stay up, no bail outs  
Give it all, all for the family

Five, four, three, two, I got one shot  
You lose the love and respect, that's where the trust stop  
New work, top drop  
I roll up every fifteen minutes like a bus stop  
And you can smell just how I'm smokin' when I burn out  
And you can catch me ridin' dirty, but my car not  
It's love and loyalty until my heart lock  
Never turn your back, won't know how it turned out  
I said it once, I'll do it again  
I'm playin' the game, I do it to win  
With you and your friend, that's thick and thin  
That's me and my team, you know we gon' win  
You know we gon' ball, you know we gon' ride 'til the wheels fall off  
You know we gon' stick to the course, we ain't thinkin' 'bout y'all

M-O-N-E-Y, what I go hard for  
Swingin' on the green like I'm tryna get a par four  
You ain't sittin' at my table, hope you starve  
Ho, don't be pushin' my buttons 'less you startin' up my car  
Pressure make a diamond, that pressure make me a star  
Got a method to my madness, to bring me down by the bar  
People always askin' me how I got this far  
My response is just to keep it honest and be who you are  
Now they call me Mrs. Money like I'm married to the mula  
Just to measure my success I need at least a hundred rulers  
Glory, hallelujah, I'mma take that ass to church  
I'mma finish like I started, Iggy still got that work
