Shes like the wind

Soundtrack

She's like the wind through my tree
She rides the night next to me
She leads me through moonlight
Only to burn me with the sun
She's taken my heart
But she doesn't know what she's doneI feel her breath on my face
Her body close to me
Can't look in her eyes
She's out of my leagueJust a fool to believe
I have anything she needs
She's like the windI look in the mirror and all I see
Is a young old man with only a dream
Am I just fooling myself
That she'll stop the pain
Living without her
I'd go insaneI feel her breath on my face
Her body close to me
Can't look in her eyes
She's out of my leagueJust a fool to believe
I have anything she needs
She's like the windI feel your breath on my face
Your body close to me
Can't look in your eyes
You're out of my leagueJust a fool to believe
(Just a fool to believe)
She's like the wind(Just a fool to believe)
Just a fool to believe
(She's like the wind)Just a fool to believe
(Just a fool to believe)
She's like the wind(Just a fool to believe)
Just a fool to believe
She's like the windJust a fool
She's like the wind
She's like the windJust a fool
She's like the wind
Just a fool
