

All In One

Bob Marley

Bend down low
Let me tell you what I know now
Bend down low
Let me tell you what I know, what I know, what I know
Long time, we no have no nice time
Doo-yoo-doo-dun-doo, yeah, think about that
Long, long, long, long time, we no have no nice time
Doo-yoo-doo-dun-doo, yeah, think about that, mm
One love, one heart
Let's get together and feel alright
One love, hear my plea, one heart
Give thanks and praise to the Lord, and I will feel alright
Simmer down, you lickin' too hot, so
Simmer down, soon you'll get dropped, so
Simmer down, man, you hear what I say?
After he
Breaks your heart
Then you'll be sad, so sad
And then your teardrops start
I tell you, then you'll know how
It hurts to be alone
Oh, what a (... feeling ...), what a feeling (... be blue)
Oh, what a feeling, oh, what a feeling
(Oh, what a feeling to be blue)
Have you ever had a lonesome feeling?
This was cause through love and affection
This was cause through love and affection
This was cause through love and affection
Mm, feel them spirit
I'm gonna put it on
Feel them spirit
I'm gonna put it on
Yes, my friend
We're in the streets again
Yes, my friend
Dem set we free again ...
