

Snowblind (Black Sabbath Cover)

System of a Down

What you get and what you see?
Things that don't come easily
Feeling happy in my vein
Icicles within my brain
(Cocaine)Something blowing in my head
Winter's ice, it soon will spread
Death would freeze my very soul
Makes me happy, makes me cold
(Cocaine)My eyes are blind but I can see
The snowflakes glisten on the tree
The sun no longer sets me free
I feel there's no place freezing me
Don't you think I know what I'm doing?
Don't tell me that it's doing me wrong
You're the one that's really a loser
This is where I feel I belong
Crystal world with winter flowers
Turns my day to frozen hours
Lying snowblind in the sun
Will my ice age ever come?
(Cocaine)My eyes are blind but I can see
The snowflakes glisten on the tree
The sun no longer sets me free
I feel there's no place freezing me
