The Piano

PJ Harvey

Hit her with a hammer
Teeth smashed in
Red tongues twitching
Look inside a skeletonMy fingers sting
Where I feel your fingers have been
Ghostly fingers
Moving my limbsOh God, I miss you
Oh God, I miss you
Oh God, I miss you
Oh God, I miss you
Oh God, I miss youDaddys in the corner
Rattling his keys
Mummys in the doorway
Trying to leaveNobodys listening
Nobodys listening
Nobodys listeningOh God, I miss you
Oh God, I miss you
Oh God, I miss you
