

Midnight Rambler

The Rolling Stones

Did you hear about the midnight Rambler
Everybody got to go
Did you hear about the midnight Rambler
The one that shut the kitchen door
He don't give a hoot of warning
Wrapped up in a black cat cloak
He don't go in the light of the morning
He split the time the cock'el crows

Talkin' about the midnight gambler
The one you never seen before
Talkin' about the midnight gambler
Did you see him jump the garden wall
Sighin' down the wind so sadly
Listen and you'll hear him moan
Talkin' about the midnight gambler
Everybody got to go

Did you hear about the midnight Rambler
Well, honey, it's no rock 'n' roll show
Well, I'm talkin' about the midnight gambler
Yeah, everybody got to go

Well did ya hear about the midnight gambler?
Well honey its no rock-in' roll show
Well I'm talking about the midnight gambler
The one you never seen before

Oh don't do that, oh don't do that, oh don't do that
Don't you do that, don't you do that (repeat)
Oh don't do that, oh don't do that

Well you heard about the Boston...
It's not one of those
Well, talkin' 'bout the midnight...sh...
The one that closed the bedroom door
I'm called the hit-and-run raper in anger
The knife-sharpened tippie-toe...
Or just the shoot 'em dead, brainbell jangler

You know, the one you never seen before

So if you ever meet the midnight Rambler
Coming down your marble hall

Well he's pouncing like proud black panther

Well, you can say I, I told you so

Well, don't you listen for the midnight Rambler

Play it easy, as you go

I'm gonna smash down all your plate glass windows

Put a fist, put a fist through your steel-plated door

Did you hear about the midnight Rambler

He'll leave his footprints up and down your hall

And did you hear about the midnight gambler

And did you see me make my midnight call

And if you ever catch the midnight Rambler

I'll steal your mistress from under your nose

I'll go easy with your cold fanged anger

I'll stick my knife right down your throat, baby

And it hurts!
