

# Shake!

## Goodtimes Goodtimes

(We shake, shake, shake)  
Everybody in the club  
Let's Go! Oh yeah, we too legit  
Booty shaking to the mix Call me Se7en, after six  
You know ask a chick Don't stop!  
Let it go  
Let me see the tootsie roll On the top, On the floo'  
Better let yo mama know [Chorus]  
We shake, shake, shake, skake  
We shake, shake, shake, skake  
We shake, shake, shake, skake  
Better let yo mama know We shake, shake, shake, skake  
We shake, shake, shake, skake  
We shake, shake, shake, skake  
Everybody in the club, LET'S GO! We'll get this party pumping  
Girl, we can do it right  
Let's get this party jumping  
We'll party through the night We got the speakers bumping  
We gotta slip n'slide  
Let's get this party jumping  
Until the morning light Don't stop  
Let's get wet  
Cameras flashing  
On the set Rock stars  
In your dreams  
Flashy cars  
Limosine Kiddies with the polkadots  
Come on baby  
Don't you stop On the top, On the floo'  
Better let your mama know [Chorus]  
We shake, shake, shake, skake  
We shake, shake, shake, skake  
We shake, shake, shake, skake  
Better let yo mama know We shake, shake, shake, skake  
We shake, shake, shake, skake  
We shake, shake, shake, skake  
Everybody in the club, LET'S GO! We'll get this party pumping  
Girl, we can do it right  
Let's get this party jumping

We'll party through the nightWe got the speakers bumping  
We gotta slip n'slide  
Let's get this party jumping  
Until the morning lightSHAKE! [x4][Chorus]
